

SNEHATHEERAM & SNEHAGIRI

(A project of Thiruvananthapuram - Kollam Diocese of
Mar Thoma Syrian Church)

WAKE UP TO THE CHALLENGE

HIV/AIDS

Dear brothers and sisters,

Greetings in the precious name of our God and Saviour Jesus Christ.

*I will give to the LORD the thanks due to his righteousness,
and I will sing praise to the name of the LORD, the Most High
(Psalm 7:17)*

A great financial year has passed in the life of Snehatheeram and Snehagiri projects. From a humble beginning God has made it possible to cater the needs of 160 HIV infected/affected families through us by your prayers and support. We have nothing to boast of, but many things to thank God for the wonderful ways we are taken care of. We thank God Almighty for the leadership of Rt. Rev. Thomas Mar Timotheos Episcopa for being with us and contributing valuable seven years to the life of Snehatheeram. We welcome Rt. Rev. Joseph Mar Barnabas Episcopa to the new diocese and the leadership of Snehatheeram and Snehagiri projects.

FELLOWSHIP MEETINGS & MEDICAL CHECKUP

This January onwards we are getting support from Family Planning Association of India in counseling, medical check-up and distribution of medicines. We thank Dr. Sobha, Dr. George Thomas and the team for their wonderful support and care they have extended towards the project. It helps us to organize regular medical check-ups and monitor the health condition of the members.

HOUSE VISIT

We could visit 34 families in these months. It helped us to see the life situations that the members are going through. We could experience the wonderful hospitality of the members.

STALLS AT CONVENTION

A Stall was organized for the awareness and the distribution of the products made by the members of Snehatheeram from January 07th to 10th 2016 at Ayoor Convention Nagar.

A stall was organized at Maramon Convention Nagar. Thanking God for the wonderful fellowship and the loving care and support of the well wishers of Snehatheeram.

STUDENT CAMP AND EVALUATION.

A student camp was organised on 26th January 2016. The theme was designing the future. 18 students attended the same. It was a time for evaluating the performance of the students and guiding them in the proper channel.
