KANDANAD PADIYOLA

KANDANAD PADIYOLA

Beloved Faithful in Christ,

The Orthodox Diocese of Ahmedabad under the Indian Orthodox Church, exalt thankful glory to the Lord Almighty for all the boons graced in publishing the 'Liturgical Year Calendar of the Oriental Orthodox Syrian Church'. The prime motto of this standardization is to prepare the faithful with a life of true worship. It's the third time in consecution, this very project is been carried under the auspices of Ahmedabad Diocese.

This year's Liturgical Calendar is been published as a revered homage and in intercession to 'Sabhajyothis (Light of the Church)' St. Joseph Mar Dionysius, Pulikkottil I, the Malankara Metropolitan, on the bicentenary celebration of His Holiness' blessed memory. He was a pious man who dedicated whole of his life span, working unceasingly round the clock, so as to prepare and keep the Church firm in social and spiritual dimension.

The developing era of our Church had His Holiness as one of the chief sculptors. His commendable life led in firm resolutions, shaped the Church to reflect the faith aspects of living in favorable and modernized standards. His Holiness steered many movements like cultural translation and publishing of the Holy Bible and Sacramental Orders based on the Syriac traditions, established first ever in India an oriental theological school (Old Seminary) with integrated course in Priesthood training, started a college at Kottayam for exploring the educational

field along with modern English values, hatching out from the residential period of learning (the Gurukula method) in early times, constructed the Arthat & Chiralayam churches, Thozhiyoor Bishop House, Old Seminary and many such buildings based on the fine work of Indian architecture that lasts for centuries, and keeping firm the quiddity, faith, canons, polity and similar foundational dynamics of the Church through many resolutions and transcripts like Arthat resolution (Arthat-padiyola), Kandanad resolution etc. The profound contributions by His Holiness at that age prevail high even in the present time.

The make-in process of this Calendar project precedes with a deep study and combined contemplation into a scientific arrangement meticulously. The Liturgical Calendar of the Oriental Orthodox Churches is a standard piece stands highly authentic, credible and factual in its information, when compared to other religious-cultural yearly planner in secular pattern. Our Liturgical Year Calendar takes in record even the seven canonical hours of a day, and then seven

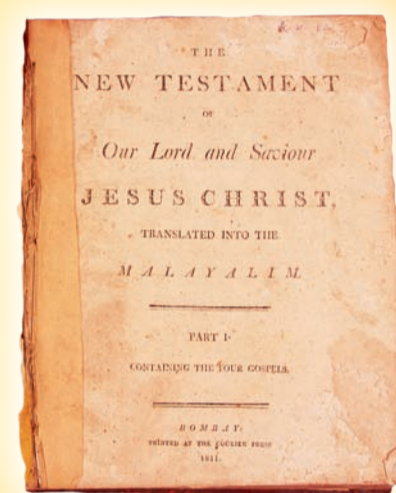

days of a week, and thus forming out seven seasons in a year. As it illustrates the significance, the commemorations, mode of tunes, lectionaries etc of each day, it readily highlights the feast and Lenten days along with a good collection of particularized icons which yield more accurate understanding. It also provides information about the days permitted for performing sacramental rites as per the canon. We believe that this will surely help all of us to lead a true life of worship in an Oriental Orthodox Way.

As this movement cum project carried is a collaborative effort of many. I express our hearty gratitude to all of them in person, Fr. Dr. Joseph Cheeran, Fr. Iyob Bethany Ashram, who encouraged us and helped us throughout for its successful outset. Also I express our sincere regards to the Penta Offset at Kottayam for its embellished way of printing work.

With earnest honor and reverence for the Catholicos of the East and the Malankara Metropolitan His Holiness Paulose II, we offer sincere gratitude at His Holiness' feet for blessing us and giving

encouragement needed for this movement and releasing it out with the Holy Hands on the occasion of the 80th Global Conference of our OCYM. We also take this opportunity to extend His Holiness all the best on his 70th birthday and join in prayers that our Lord may bless His Holiness to guide His Church to many more spiritual heights. We also stoop to the members of the Holy Episcopal Synod, our most beloved Metropolitans for their prayers and guidance.

At this joyful outset, we intercede to St. Mary the Theotokos, the Holy Apostles, the Martyrs, the Confessors, especially St. Thomas the Apostle of India and since all the faithful and truly Christian Rulers who have established, confirmed and led us in the true faith. May all their prayers be a strong refuge to us.

Yours Shepherd in Christ,

By His Grace,
DR. GEEVARGHESE YULIOS

Annunciation Period

The first season of the liturgical year, the season of Annunciation, begins on the eighth Sunday prior to the feast of Nativity of our Lord. It is entitled *Qudos Edtho*, which literally means 'Sanctification of the Church'. Through the following Sundays the Church commemorates all important events in the salvific history as occurred in preparation to the birth of our Lord from Virgin Mary in the fullness of time. The Old Testament part of the Economy of Salvation is duly remembered through the scriptural readings in liturgical contexts in the season.

The Fast of Nativity falls in this period. Fasting of twenty five days are indented for us to purify ourselves through the commemoration of, and contemplation on the incarnation of our Lord from the Virgin and the long standing preparation for it to happen through the Old Testament period. Even though both the fast and feast of Annunciation falls in the month of Nissan, it is also commemorated on the fourth Sunday of the first season as mainly exposed through the Scripture readings. In the annual celebration through the liturgical year, winter, the season of low productivity has been turned into a period filled with hope, and preparation for the Advent of our Lord into this world.

Liturgical Calendar 2016-17

Epiphany Period

According to the current liturgical calendar of the Malankara Orthodox Church we celebrate the Feast of Epiphany (*Denho*) on the 6th of January as a feast commemorating the Baptism of our Lord and the Theophany (manifestation of God) occurred in the river Jordan. Even though the early Church used to celebrate the feasts of Nativity and Epiphany together, the history of celebrating those two great feasts separately can be traced back at least to fifth century and is clearly mentioned in the *Apostolic Constitutions* (a document most likely got compiled in the fifth century).

Church commemorates St. Mary, the Mother of God, for the wonderful gift towards us on the next day after Christmas. St. Mary gave birth to our Lord Jesus Christ for the salvation of the entire world. Thus Virgin Mary's unique role in the economy of salvation and her importance as first among the Saints is duly stressed through the celebration of this feast. Now Christ re-generates through our hearts, so we are also called the bearers of God and transmitters of the Divine Word through our words and deeds. Only after the commemoration of Virgin Mary, the Epiphany of our Lord is celebrated and then afterwards the other commemorations and feasts come in the Epiphany season.

There are seven weeks in the period of Denha. The period of Epiphany representing three years and six months which is the public ministry of our Lord Jesus Christ as mentioned in the Gospel. And on the eighth day after Christmas the Church recalls the Presentation of our Lord to the temple and the growth of child Jesus which is the period of thirty years before the baptism of our Saviour. The Church instructed us to observe the three days fast as the rogation of Nineveh which culminates eighteen days before the beginning of the great Lent. This period celebrates the mystery of revelation of the Holy Trinity through the birth and life of Jesus Christ. The week of baptism indicates our renewal in Christ and redemption through Him. Most of the days of this period are provided for the commemorations of those who witnessed Jesus Christ to this world through their life and deeds like Martyrs, Saints, Departed Priests, Faithful etc.

LITURGICAL CALENDAR
2016 - 2017

Great Lent Period

The third season of the Liturgical Year is the Great Lent. It starts with *Kothne*-Sunday and ends with Gospel Saturday. The Great Lent period has two parts, namely, the Forty days of Lent ends on 40th Friday and then comes Lazarus'-Saturday, Palm- Sunday which is followed by the Holy-Week. The theme of the Lenten Season is the redemptive Work of our Lord including His death on the Cross for the redemption of the humanity. In all seven Sundays and the following weekdays, the Church recalls the signs, symbols and wonders that He did for us in order to save us from the bondage of evil forces and to cure us well to witness and take part in His Passion, Death and Resurrection. Thus we meditate from the first sign He did at the marriage Feast of Cana, turning water into wine, to the last, rising Lazarus from the dead before He entered to Jerusalem for His final Passion and Death on the Cross.

The Fathers of the Church arranged this period as a period for total repentance with fasting and abstinence, forty prostrations and special prayer services, namely, Lenten Prayers and Prayers for the Holy Week. A full lectionary of the Holy Scripture is also provided for each day in order to meditate and ponder on the importance of the day.

Resurrection Period

In the period of *Qyomtho* (Resurrection), the Church commemorates and celebrates the salvific action of Christ, the second person of the most holy Trinity. She actively recalls the mystery of the resurrection as the foretaste of our own participation in the risen glory of Christ in heaven. There are forty days between the Resurrection and Ascension. In those days the Disciples of Christ saw Him and He assured them of the blessed Resurrection that was sought by all the children of Adam. Through His resurrection and ascension, He guaranteed all the righteous the entry into the eternal communion with Him.

As Mary gave birth to the medicine of life, the Church gave the sacraments to her children. Christ is the Good Physician and he has healed our race through his salvific action and provided us the holy Eucharist, which is His body and blood, as the medicine for the remission of sins, and for eternal life. Christ suffered passion on the cross, so that by his death He may vivify human race and ascended and sat in heaven, above the Archangels and Dominions. As in the first Adam we were condemned, in the second Adam we have been justified. Christ's descent down to the earth was in order to cause the human being to ascend to his kingdom. Through the renewal the human being can enter into the Paradise like First Adam who was there before the fall.

Pentecost Period

Pentecost is obviously related to the descent of the Holy Spirit on the Apostles after the ascension of our Lord into heaven. In this season the holy Church celebrates the mystery of the power of the Holy Spirit worked upon the Apostles at the Pentecost. During this period the church recalled the Apostles and their disciples whom have travelled around the world teaching all people and establishing the Church in the whole world. On the 50th day of his resurrection the Church acknowledges His promise of the coming of the Holy Spirit, the Paraclete, who descended upon the apostles (Acts 2:1-4) and they preached the good news in diverse languages. St. John Chrysostom calls Pentecost the, 'Birthday and Baptism of the Church'. And he further explains that, in the period of the Old Testament God wrote the Ten Commandments on the tablets of stone using His finger the Holy Spirit and He wrote the New Covenant on the fleshy tablets, the hearts of the Apostles on the day of Pentecost with the Holy Spirit, the finger of God. During this liturgical season, the Church commemorates the Apostles, their zeal for evangelization and sufferings and martyrdom through the fasting of Apostles including St. Paul. At the end of this fast the church specially commemorates St. Peter and St. Paul as the most prominent among the Apostles. This period dealt with our release from the worship of idols and our approach to the Lord and our renewal through the Holy Spirit.

Transfiguration Period

A little while before His Passion and His death on the Cross, our Lord withdrew Himself for prayer on top of a hill, which is known by the name Tabor. With Him were present His three most beloved and trustworthy Disciples, Peter, James and John. This event was theophanic in nature as revealing the identity of Jesus is manifested to the Apostles. That is not only the unusual change in His appearance and the inundation of light which emanated from His face, but the witnessing of the voice of the Father and the presence of the two most holy people from the Old Testament, Moses and Elijah are confirming without a margin of doubt the divinity of Jesus Christ.

The Church recites: "You were transfigured on the mount, and Your Disciples, so far as they were able, beheld Your glory, O Christ our God; so that, when they should see You crucified, they should remember that Your suffering was voluntary, and could declare to all the world that You are truly the effulgent splendour of the Father!"

More than the direct revelation of the divinity of Jesus Christ, the Transfiguration of our Saviour is a revelation of the Mystery of the Holy Trinity; The Son and Word of the Father is present bodily on Tabor, as the God-Man Jesus Christ. The Father is heard to be saying: 'This is my beloved Son, with Whom I am well pleased'. The Holy Spirit appears in a paradoxical form of a bright mist. The martyrs rejoice and exult in the great glory, which our Saviour has prepared for them in the chamber of indestructible light. The Son crowned them who witnessed the true faith before the world and shed out the blood for the love of God. In this period the Church commemorates the crowning of the saints and Martyrs.

But, because of their role in incarnation of our Lord, the Church does celebrate exceptionally the birthdays of Mary, the Mother of God and John the Baptist, the forerunner of our Lord. However, there is no canonical fast before the Feast of the Nativity of Mother Mary.</p>

Period of Cross

The period of the Cross denotes the symbol of the revelation of our Saviour. By the cross of our Lord the earthly race of Adam has been saved. The cross becomes a strong wall for the faithful holy Church in the four parts of the world. It will drive out schisms, evil divisions and scandals from her. It counsels peace and tranquility in her forever. May all the children of the church be protected under the wings of the Holy Cross.

The King Constantine saw the cross with great glory in heaven and learned by the writing of the stars about the greatness of its power. And he believed in its lordship and conquered the army of the barbarians. And he sent his mother Helen to seek about it in the city of Jerusalem. Queen Helen sent to the Jews and put on the zeal of justice and said to the crucifiers: "Summon and gather to me those

who crucified the Scribes and interpreters and those who are versed in all Scripture; I will speak with them and justify their words about the sign which they denied, proves their words". And with great wonder, it was found on the 13th of September. And for all the faithful it was an unshaken shelter. The church exalted its feast on 14th September in every year. The Cross of our Lord was veiled from the faithless people but it was shown through Helen and its rays caused to shine upon the earth. All the creation which was darkened by idols was lighted by it. The Church worships and honours it, because it saved her from ignorance about and lack of communion with the true God, and through it she inherits the eternal kingdom. The cross of light has shone forth in the world for the salvation of all. And by the splendour of its rays the world has been illuminated.
